MATH 333 001 Web-Site Quiz – 8/23/04 – Name: _______________________

The the assignments and syllabus will be at links from the webpage:

http://math.boisestate.edu/~kerr

Where it says Fall 2004 courses, click on MATH 333. This will bring you to the Assignment Page where assignments and announcements will appear. You’ll resort to this page constantly.

On the Assignment Page there’s a link, “Policies”, to the Policy Page

Find the course web pages and answer the following:

1  The dates for Tests #1 and #3: ______________________

2  When is the last day to drop a class? ______________________

3  When are the instructor’s Friday office hours? ______________________

4  How many extra-credit points will a student get if he phones the instructor to point out that there’s an incorrectly terminated sentence above? ______

5  Suppose a student earned these scaled percentages on homework and exams:

<table>
<thead>
<tr>
<th></th>
<th>Home Work</th>
<th>Test #1</th>
<th>Test #2</th>
<th>Test #3</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td>75</td>
<td>81</td>
<td>76</td>
<td>85</td>
</tr>
</tbody>
</table>

If the student earns an 79% on the final, the final letter grade will be ____.

6  Suppose the student in problem 5 earned only a 65% on the final. In that case the final letter grade will be ____%, based on percentage ________%.
7. What is the file name for the first .pdf file in the directory “Handouts (.pdf)”? (Also reachable from the PDF button on the assignment page.) ________________

8. Show steps to work out problem 2c in the file you found in question 7.
