Self-assessment (after quiz 1).

Complete the following and turn it in at the beginning of class by Friday 9 September. Well-considered responses will be worth up to two points added to your quiz 1 score (with a maximum adjusted score of ten points). Please be as specific as possible.

• List the three topics from the first two weeks of class that you feel you understand the best:

• List the three topics from the first two weeks of class that you feel you have the least understanding of:

• List (at least) three topics from the first two weeks of class that you think are important and should be reviewed for the first midterm:
• List (at least) two changes you can make to your study habits that will help you to be better prepared for quizzes and exams in this class:

• List (at least) two things that the instructor is doing that you find helpful:

• List (at least) two things that the instructor could be doing that you think would be helpful:
