ICUR provides a forum for students, educators and the community to discuss cutting edge research topics and to examine the connection between research and education.

The conference includes poster presentations by students from all academic disciplines, workshops for educators, students and invited guests.

All students from across the state of Idaho involved in research driven projects are invited to submit an abstract.

**ABSTRACT SUBMISSION DEADLINE:**
June 24, 2015
Wednesday and Thursday, July 29-30, 2015
at Boise State University

STUDENT POSTER PRESENTATIONS
Simplot Ballroom, Student Union Building
