

Name : _____

Please tell me how you like me to distribute 10% percent of your grade. You may split it into two pieces (%5 each) or put it all in one category.

The current weighting of grades is as follows :

Total = 20% Hmwk + 10% Quiz + 20% Exam # 1 + 20% Exam # 2 + 20% Final

The “participation” category will be based in part on how many homework assignments you turned in, and your class attendance (which will have to be subjective).

○ Homework _____

○ Quiz _____

○ Exams _____

○ Final _____

○ Participation _____
